In a speech to 2,000 negroes at Nashville, Tenn., Mr. Hughes said: "We want honesty with respect to the ballot. I want an honest and a pure ballot. I say to you, that I stand, if I stand for anything, for equal and exact justice to all. I stand for the maintenance of the rights of all American citizens regardless of race or color." The saddest and sorest people in the land are the negroes who voted for Wilson four years ago. And there were a lot of them.

DOING THEIR DUTY

Scores of Yale Readers are Learning the Duty of the Kidneys

To filter the blood is the kidneys' duty. When they fail to do this the kidneys are weak.

Backache and other kidney ills may follow.

Help the kidneys do their work. Use Doan's Kidney Pills—the tested kidney remedy.

Yale people endorse their worth. A. McLarty, farmer, R. F. D. No. 2, Yale, says: "I was a constant sufferer from backache and sharp twinges through my joints. I had headaches and dizzy spells and my health was poor. I got Doan's Kidney Pills at Grant Holden's Drug Store and four bottles drove away all the trouble. My health has improved steadily since."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. McLarty had. Foster-Milburn Co. Props., Buffalo, N. Y.

Worth Careful Thought

Do you read the label to know whether your baking powder is made from cream of tartar or, on the other hand, from alum or phosphate?

Royal Baking Powder is made from cream of tartar, derived from grapes, and adds to the food only wholesome qualities.

Other baking powders contain alum or phosphate, both of mineral origin, and used as substitutes for cream of tartar because of their cheapness.

Never sacrifice quality and healthfulness for low price.

Satisfy!—that's a new thing for a cigarette to do

It's nothing for a cigarette to just taste good—lots of cigarettes may do that. But Chesterfields do more—they satisfy! Just like a thick, juicy steak satisfies when you're hungry.

Yet, with all that, Chesterfields are MILD!

No other cigarette can give you this new enjoyment (satisfy, yet mild), for the good reason that no cigarette maker can copy the Chesterfield blend—an entirely new combination of tobaccos and the most important development in cigarette blending in 20 years.
